AT RICHMOND, JANUARY 24, 2003

APPLICATION OF

CONCERT COMMUNICATIONS SALES
OF VIRGINIA LLC

CASE NO. PUC-2003-00002

To cancel existing certificates
and issue certificates reflecting
new name

FINAL ORDER

By letter application filed January 3, 2003, Concert Communications Sales of Virginia LLC ("Company") informed the State Corporation Commission ("Commission") that it had changed its corporate name to BT Communications Sales of Virginia LLC. The application requested that the Company's certificates of public convenience and necessity be modified to reflect the new corporate name.

Concert Communications Sales of Virginia LLC holds certificates of public convenience and necessity, TT-72A and T-452, issued July 29, 1999, which authorize the Company to provide interexchange telecommunications services and local exchange telecommunications services in the Commonwealth of Virginia, respectively, under Case No PUC-1999-00051. The

Commission is of the opinion that revised certificates of public convenience and necessity should be granted.

Accordingly, IT IS ORDERED THAT:

(1) This matter should be docketed and assigned Case No. PUC-2003-00002.

(2) Certificates of public convenience and necessity, T-452 for local exchange telecommunications services and TT-72A for interexchange telecommunications services, are cancelled and shall be reissued as amended Certificate Nos. T-452a and TT-72B, respectively, in the name of BT Communications Sales of Virginia LLC.

(3) Because there is nothing further to come before the Commission, this matter is dismissed.
